

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. BRAND BOOK

OF THE

MONTANA. *Stockgrowers assoc*

Stock Growers' Association

FOR

1903

SEVENTH PUBLICATION

HELENA, MONTANA
INDEPENDENT PUBLISHING CO.
1903

Helena, Montana, July 1st, 1903.

It has been our aim and desire to have this brand book complete in every detail and free from all errors, but, while we have sent out repeated notices to members urging them to send us their brands for publication—many of them did not respond and we were compelled to publish them the same as they appeared in the last book, or according to the way their brands appear on record. There were, however, several members whose brands were not recorded and who made no response to our notices—and we were therefore unable to insert any brands at all for them—merely publishing their names in the index as members.

We have taken every precaution to guard against omissions and errors in this publication—and trust it may meet with the approval of the members of the Montana Stock Growers' Association, in whose interests it is published.

BY-LAWS
of the
Montana Stock Growers' Association
Adopted April 3, 1885

Section 1. This Association shall be known as the Montana Stock Growers' Association.

Sec. 2. The object of this Association is to advance the interests of the stock growers in Montana and adjoining States and Territories, and for the protection of the same against frauds and swindlers, and to prevent the stealing, taking and driving away of cattle, horses, mules and asses from the rightful owners thereof, and to enforce the Stock Laws of the State of Montana.

ELECTION OF OFFICERS.

Sec. 3. The affairs of this Association shall be conducted and managed by a President, First Vice-President, a Second Vice-President, a Secretary and Treasurer combined, and an Executive Committee. The Executive Committee shall consist of one member each for Flathead, Granite, Missoula, Ravalli, Broadwater, Deer Lodge and Silver Bow counties; and for Wyoming, North and South Dakota and Northwest Territory; two members each for Beaverhead, Sweet Grass, Powell, Meagher, Carbon, Gallatin, Jefferson, Madison and Park counties; three members each for Cascade, Yellowstone, Teton and Valley counties; five members each for Custer, Dawson, Chouteau, Rosebud, Fergus and Lewis and Clarke counties. Seven members shall constitute a quorum. All regular officers of the Association shall be ex-officio members of this Committee. These officers and above-named Committee shall be elected at the annual meeting in April of each year, and shall serve until the spring meeting following their election, or until their successors have been elected. Written proxies, approved as genuine by the Executive Committee and made within sixty days, may be voted at all meetings. The Executive Committee is empowered to fill any vacancies that may occur, by death or otherwise, in their own body or among the officers of this Association, and the person so appointed shall hold office until the next regular election. The executive committee are empowered

to provide representation on their committee for any new counties which may hereafter be created.

DUTY OF OFFICERS.

Sec. 4. The President shall preside at all meetings of the Association. He shall see that all the By-laws, resolutions and regulations thereof are faithfully executed, and perform such other duties as may be required of him in these By-laws, as well as such as may be necessary to secure the objects and best interests of this Association not herein otherwise provided for.

Sec. 5. The First Vice-President, in the absence of the President, shall perform the duties of the latter, and if he shall be absent, the Second Vice-President shall act, and if both be absent at any meeting, a President pro tem may be elected.

Sec. 6. The Secretary-Treasurer shall keep accurate minutes of the transactions of this Association. He shall keep a roll of members and a correct account of all moneys received. He shall write and send all communications for the Association and such as he may be directed to write and send by the Association or Executive Committee. He shall pay all bills when directed by the Executive Committee, and he shall make a full report of all the transactions of his office at each annual session, and at such other times as the Association may direct, producing therewith vouchers for all moneys paid out. He shall deliver to his successor all books, papers, moneys and other property in his possession belonging to the Association, and perform such other duties as may be required by these By-laws, resolutions and regulations, or by the Association. He is authorized to employ such assistance as he may deem necessary at a reasonable rate of compensation. He shall keep a record of the brands and such other information concerning the members, stock, range, etc., as may be furnished him by the members. He shall give bond to the Association in such sum and with such sureties as may be required by the Executive Committee, conditioned that he will faithfully perform all acts and things required of him in this section, and he shall receive such compensation as the Executive Committee may determine.

Sec. 7. The Executive Committee may meet immediately after their election and at such other times as they may be called together by the President. The President or Vice-President shall preside at all meetings. The Secretary-

Treasurer shall act as secretary of the Committee. The Committee shall have entire control of the employes and all the business of the Association during its adjournment. It shall audit all accounts and order the Secretary-Treasurer to pay all bills. They shall represent the Association before the State Board of Stock Commissioners, Boards of County Commissioners and the Legislature, and in other similar positions, during adjournments of the Association. At each annual meeting this Committee shall make a report to the Association in regard to matters requiring their attention, and shall recommend such measures as they deem necessary. Each member shall report at the meeting of the Committee such matters as require attention in his locality, and shall look after and give attention to the interests of the Association for the county he represents.

Sec. 8. The annual meeting of this Association shall be held on the third Tuesday in April, at 10 o'clock a. m., in Miles City, Mont., at such place as the Executive Committee shall determine, due notice thereof being given. Special meetings may be called at any time by the President, or in his absence by either of the Vice-Presidents, and shall be called whenever requested by seven members. Twenty-five members shall constitute a quorum for business at all meetings. The call for a special meeting shall state the object and place of such meeting, and no other business shall be transacted at such meeting. At each meeting of the Association it shall be the duty of the Chair to appoint a committee of five members, to whom all resolutions offered shall be referred without debate, except such as come from the Executive Committee or Board of Stock Commissioners with their recommendations for adoption, which shall be put to vote without reference to the Committee on Resolutions.

ORDER OF BUSINESS AT MEETINGS.

1. Call to order.
2. Calling, the roll.
3. Reading minutes of last meeting.
4. Report of Secretary-Treasurer.
5. Appointment of committees—Resolutions, Nominations, Membership.
6. General business.
7. Report of membership committee and election of new members.
8. Report of resolutions and nominations committees.

9. Election of officers, including Executive Committee.
10. Unfinished business.
11. Adjournment.

MEMBERSHIP.

Sec. 9. No person shall be a member of this Association except a stock grower, as defined by the following, viz.: A person owning or controlling cattle, horses, mules or asses, and engaged in the business of breeding, growing or raising the same for profit. To become a member of this Association, all persons must be proposed by a member. Each proposition shall be accompanied by a fee hereinafter specified, together with a statement of the number of cattle, horses, mules and asses owned or controlled by such person or his firm or company, with all the brands and marks of such stock; also the names of the individuals comprising his firm or names of all the officers, if a company, and the postoffice address of each, and his application shall be referred to the Standing Committee on membership, consisting of three members of the Executive Committee and the Secretary and Treasurer of the Association, who shall examine said application, and if they deem the applicant a proper person, the Secretary shall so notify him and place his name upon the list of members. All persons admitted as members bind themselves and their employes to the observance of all By-Laws, resolutions and regulations of the Association that are now in force, or that may hereafter be adopted, on a penalty of forfeiture of membership. Memberships must be personal.

Sec. 10. The annual dues shall be five (5) dollars, payable at the April meeting of each year, and no one shall become a member without such payment. Any member failing to pay his dues on or before the next spring meeting, when the same become due, shall cease to be a member until such payment has been made. Any member who shall be in arrears for more than one year for dues or assessments shall be dropped from the roll of members. All members shall be subject, not oftener than once per annum, to an assessment not exceeding one cent a head on seventy per cent of all cattle, horses, mules and asses, of which each person may at that time be the owner, and no resignation shall be accepted until all dues and assessments are paid. This assessment may be levied in the discretion of the Executive Committee, and shall be payable when called for. Failure to pay on or before the next annual meeting following date

of such assessment shall work a forfeiture of membership. The fund so assessed shall be collected by the Secretary and Treasurer, and shall become a part of the common fund of the Association, subject to the same regulations as before provided.

Sec. 11. Any member who shall divulge the proceedings of or action taken in any meeting of the Association to any person or persons, or do any act calculated to, or that may injure or defeat any proceedings or action of this Association, or officers thereof, that may be instituted for the purpose of its protection or that of any of its members under the laws of this State or of these By-Laws, resolutions and regulations, or that may be subversive of the interests generally of the Association, shall have a fair and impartial hearing at a special meeting called for that purpose, or at the annual meeting, and if found guilty by a majority of the members present, shall be expelled.

Sec. 12. Any member of this Association who shall be expelled therefrom as aforesaid, shall not again be received as a member thereof, and stock growers generally shall be notified of such expulsion.

Sec. 13. Whenever it shall come to the knowledge of any member of this Association, that any person or persons are engaged in stealing or killing stock of any kind, he shall immediately notify the Executive Committee of the Association, who are hereby empowered to act in such manner as will, if possible, bring such person or persons to justice, and recover said property.

Sec. 14. These by-laws, regulations and resolutions shall not be annulled or amended except at the annual meeting, and then only by a vote of two-thirds of the members present.
